Dear President Proctor:

This letter is formal notification of action taken by the Higher Learning Commission (HLC) Board of Trustees (“the Board”) concerning Ozark Christian College (“the Institution”). This action is effective as of the date the Board acted, November 5, 2020. In taking this action, the Board considered materials from the most recent comprehensive evaluation, including, but not limited to: the Assurance Filing the institution submitted, the report from the comprehensive evaluation team, the report of the Institutional Actions Council (IAC) Hearing Committee, and the institutional responses to these reports.

Summary of the Action: The Institution has been granted initial accreditation. The Institution has been approved to offer the Associate of Arts, Bachelor of Arts, and Bachelor of Theology.

Board Rationale

The Board based its action on the following findings made with regard to the Institution as well as the entire record before the Board:

Ozark Christian College meets the Eligibility Requirements, the Assumed Practices, and the Criteria for Accreditation, including all Core Components, without any concerns.

Ozark Christian College is currently in compliance with all Federal Compliance Requirements.

Next Steps in the HLC Review Process

Comprehensive Evaluation: The Institution is assigned to the Standard Pathway for its initial ten-year cycle. An institution in its first cycle of accreditation undergoes a comprehensive evaluation and is considered for reaffirmation of accreditation in Year 4 of the ten-year cycle. If reaffirmation of accreditation is granted in Year 4, the institution moves to Year 5 and continues on the Standard

Pathway until it completes the ten-year cycle.¹ The Institution will host its next comprehensive evaluation for reaffirmation of accreditation (Year 4) in 2024-25.

HLC Disclosure Obligations

The Board action resulted in changes that will be reflected in the Institution's Statement of Accreditation Status as well as the Institutional Status and Requirements Report. The Statement of Accreditation Status, including the dates of the last and next comprehensive evaluation visits, will be posted to the HLC website.

HLC policy² requires that a summary of Board actions be sent to appropriate state and federal agencies and accrediting associations. It also will be published on HLC's website. The summary will include this HLC action regarding the institution.

On behalf of the Board of Trustees, thank you in advance for your cooperation. If you have questions about any of the information in this letter, please contact your HLC Staff Liaison, Dr. Gigi Fansler.

Sincerely,

Barbara Gellman-Danley
President
