Dear President Pan:

This letter serves as formal notification and official record of action taken concerning Maricopa Community Colleges-Mesa Community College by the Institutional Actions Council of the Higher Learning Commission at its meeting on June 15, 2015. The date of this action constitutes the effective date of the institution's new status with HLC.

Action. IAC continued the accreditation of Maricopa Community Colleges-Mesa Community College with the next Reaffirmation of Accreditation in 2024-25. In the year 4 Assurance Review the institution must include an update on progress with the institution's revised assessment model and process.

Rationale: The IAC received and reviewed additional materials that included an Assessment Revision Timeline and Plan of Action. This document included specific objectives for tracking course level assessment and summarized three years of work through fall 2015. Given the institutional history of responsiveness to feedback and quality initiatives, the IAC believes that an institutional update on progress with the assessment process in the Year 4 assurance review is appropriate.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <http://www.hlcommission.org/isr-request>.

Information on notifying the public of this action is available at <http://www.hlcommission.org/HLC-Institutions/institutional-reporting-of-actions.html>.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison Karen Solomon. Your cooperation in this matter is appreciated.

Sincerely,
