Dear President LaGue:

This letter serves as formal notification and official record of action taken concerning White Earth Tribal & Community College by the Institutional Actions Council of the Higher Learning Commission at its meeting on July 29, 2019. The date of this action constitutes the effective date of the institution's new status with HLC.

**Action with Interim Monitoring.** IAC continued the accreditation of White Earth Tribal & Community College with the next Reaffirmation of Accreditation in 2024-25. In conjunction with this action, IAC required the following interim monitoring.

**Focused Visit.** A Focused Visit due by 11/15/2021 on (4A) program evaluation and improvement; (4B) student outcomes assessment and related federal compliance on student outcomes data; (5D) Institutional effectiveness.

**Rationale:** IAC eliminated the recommended interim report, since the institution, in its response, addressed the concern of the status of the Finance Director search by providing documentation of the hiring of the finance director and provided a copy of his resume, addressing the team's concerns.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at https://www.hlcommission.org/isr-request.

Within the next 30 days, HLC will also publish information about this action on its website at https://www.hlcommission.org/Student-Resources/recent-actions.html.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison Jeffrey Rosen. Your cooperation in this matter is appreciated.

Sincerely,

Barbara Gellman-Danley
President
