Mr. Michael Seymour
President
Alexandria Technical and Community College
1601 Jefferson St.
Alexandria, MN 56308

Dear President Seymour:

This letter serves as formal notification and official record of action taken concerning Alexandria Technical and Community College (the institution) by the Institutional Actions Council (IAC) of the Higher Learning Commission (HLC) at its meeting on April 29, 2024. The date of this action constitutes the effective date of the institution's new status with HLC.

Action with Interim Monitoring. IAC continued the accreditation of Alexandria Technical and Community College with the next Reaffirmation of Accreditation in 2033-34. In conjunction with this action, IAC required the following interim monitoring.

Embedded Report. Embedded monitoring in the Year 4 evaluation on quality of education offerings (3A,4A) and assessment of student learning (4B).

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.

Rationale: Throughout the evaluation review the visiting team indicates an inability to confirm consistency in course delivery methods, syllabi which outline learning outcomes and consistent assessment practices to confirm rigor is present beyond the premise of academic freedom. IAC voted to embed the report into the institution's midcycle review for a comprehensive review of the institution's progress on the identified areas.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for the institution to review and manage information regarding its accreditation relationship. Chief Executive Officers and Accreditation Liaison Officers may download the ISR Report in Canopy at <https://canopy.hlcommission.org>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions>.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison, Steph Brzuzy. Your cooperation in this matter is appreciated.

Sincerely,

Barbara Gellman-Danley
President
